

# Dayton Hamvention® Flea Market Application Form

## *Welcome to the Hamvention® 2018.*

The Hamvention® 2018 will be held on May 18-20 with unassisted installation of your displays on Thursday May 17, 7 a.m. until 7 p.m. and on Friday May 18 and Saturday May 19 from 7:00-8:30 a.m. Dismantling will take place on May 20, from the time the displays close until 8 p.m. Any other times require approval of the Flea Market Committee. Visit <http://www.hamvention.org> for updated show times.

Flea Market Vendor Admission tickets are \$22.00 each, the same as Hamvention General Admission tickets.

The Flea Market vendor space cost will not be changing this year. All Flea Market vendor spaces will be \$70.00 each and end of aisle spaces will be \$100.00 each.

A Ham Radio Club can rent two (2) spaces, either side-by-side or back-to-back (not end spaces), for \$100.00. When submitting payment, we also require proof of club status, ie: ARRL membership or a copy of club license. When requesting Club Spaces, **DO NOT** pay online, as the Flea Market Committee will have to adjust the prices before payment. Please contact the Flea Market Committee first, to request your reservation.

There is a maximum of two Flea Market Vendor Admission tickets per Flea Market space (**Vendor Admission Tickets are not included and must be purchased for space rentals**). If more than two tickets per space are needed, additional tickets must be General Admission tickets. For Flea Market vendors with crews holding General Admission tickets, they will be permitted access for setup and teardown, while being escorted by someone holding a Vendor Admission ticket.

A Flea Market Space Pass is required for a vehicle to enter the Flea Market. A maximum of one (1) Space Pass is available for each vendor and will be included in the reservation packet.

The **approximate** size of each Flea Market space is 10 x 17 feet or 170 square feet. Any vehicle that does not fit within the dimensions of the reserved space(s), must be parked outside of the Flea Market area. Courtesy Parking Passes are available for the parking area located in the track area, surrounding the infield Flea Market area. For details, see the Hamvention® 2018 Flea Market Rules & Information sheet. **Due to the limited amount of space available in the Courtesy Parking Area, 1 pass per Flea Market space is permitted, up to a MAXIMUM of three (3) passes. Courtesy Parking Passes are available on a "First Come, First Served" basis.**

Vehicle access to the Flea Market area is permitted, by use of a Flea Market Space Pass. One space pass will be issued to each vendor, allowing only one (1) vehicle to enter and / or remain in the Flea Market selling area.

Each Flea Market space is numbered and no numbers are duplicated anywhere within the Hamvention, regardless of whether the spaces are in the Flea Market or Inside Exhibits areas.

Please be sure to review the Ohio Tax information located at <http://www.tax.ohio.gov/forms.aspx> and in the Hamvention group at Yahoo (<http://groups.yahoo.com/group/hamvention/>) and the Hamvention® 2018 Flea Market Rules, at the end of this document.

The volunteers of the Flea Market Committee are looking forward to seeing you at the 2018 Dayton Hamvention® and will do everything possible to make your visit an enjoyable one.

## 6. SECURITY SERVICE:

That the Hamvention® 2018 will provide limited security service in or about the Flea Market area on May 18, 2018 commencing at 7:00 a.m., and continuing until the exhibit area is cleared of spectators on May 20, 2018. 9. ACTS OF GOD:

That the Hamvention® 2018 shall not be liable for delay or nonperformance attributable to war, fire, flood, acts of God, acts of third parties, terrorism, acts of governmental authorities, accidents, work stoppage, riot and disobedience, equipment breakdown, or other measures beyond our reasonable control. No requests for refunds will be honored after March 1, 2018.

10. EXHIBITOR RESPONSIBILITY:

That the EXHIBITOR shall assure adequate manning of his space at each day's opening of the Flea Market area to the Hamvention® 2018 attendees. Lost VENDOR space tickets or parking passes may be replaced at the discretion of the Flea Market Chair/Assistant Chair, providing proof can be found that the VENDOR had already registered. Assignment of this Agreement and subletting or sharing of a display area without the written permission of the Hamvention® 2018 is prohibited.

11. REPRODUCTION OF TICKETS AND PASSES:

That the purchaser of a Flea Market space shall be required to hold a valid Vendor Admission ticket. Included with a space rental is a Space Pass, which is required to drive a vehicle into the Flea Market area. ANY and ALL tickets and passes issued by any of the Hamvention® committees are original documents and must be used as such. Reproduction of any such original tickets or passes, for the intended purpose of gaining access to any of the Hamvention® events shall be considered counterfeiting and the holder of any such documents, as well as the purchaser of said documents, shall be subject to forfeiture of ALL purchased tickets and passes and will be escorted from the Hara Arena property. ANY and ALL tickets and passes purchased by an individual (vendor) are to be considered the responsibility of that vendor, who in turn may be held liable for any fraudulent activities by a holder of said tickets or passes. Inclusive are any vehicles found to be displaying counterfeited passes, wherein said vehicles may be towed at the owner's expense. ANY and ALL tickets purchased by the registered vendor, along with ANY and ALL passes issued to them shall be considered invalid and such registered tickets will not be eligible for any prize drawings or other event activities. Any individuals found holding invalid tickets or passes, either within or for the intended purpose of accessing any Hamvention® areas will be escorted from or denied access to such areas and any privileges of said tickets and/or passes will be revoked. Any such aforementioned duplication shall be considered an act of fraud and may be subject to prosecution, under local statutes. Additionally, violators will be deemed ineligible for renting or occupying any Flea Market spaces, at future Hamvention® events.

12. NO FLY ZONE

The purchaser of and participants in a Flea Market space, for the duration of the Dayton Hamvention®, shall not fly or participate in the action of flying any type of remote controlled aircraft, anywhere in the airspace above the Greene County Fairgrounds complex, as this area shall be considered to be a **"No Fly Zone"**, for any type of commercial or amateur Unmanned Aerial Vehicle (UAV). This includes, but is not limited to helicopters, fixed-wing aircraft, quadcopters, drones or any other type of UAV. With the recent popularity of these devices and the potential of crashes due to loss of control, the welfare of our visitors and vehicles

demands that we prohibit the flying of them anywhere above the entire Greene County Fairgrounds complex, without the written consent of the Hamvention® General Chairman. The Greene County Fairgrounds complex includes the areas of the Flea Market, ADA parking area, overnight camping area, the main parking lot extending East from the Greene County Fairgrounds complex, as well as anywhere inside or above the Greene County Fairgrounds structures themselves.
