

Dayton Hamvention® Flea Market Application Form

Welcome to the Hamvention® 2024.

The Hamvention® 2024 will be held on May 17-19 with unassisted installation of your displays on Thursday May 16, 7 a.m. until 7 p.m. and on Friday May 17 and Saturday May 18 from 6:00-8:30 a.m. Dismantling will take place on May 19, from the time the displays close until 6 p.m. Any other times require approval of the Flea Market Committee. Visit <http://www.hamvention.org> for updated show times.

Flea Market Vendor Admission tickets are \$26.00 each, the same as Hamvention General Admission tickets.

All Flea Market vendor spaces will be \$75.00 each and end of aisle spaces will be \$105.00 each.

A Ham Radio Club can rent two (2) spaces, either side-by-side or back-to-back (not end spaces), for \$105.00. When submitting payment, we also require proof of club status, ie: ARRL membership or a copy of club license. When requesting Club Spaces, **DO NOT** pay online, as the Flea Market Committee will need to adjust the prices before payment. Please contact the Flea Market Committee first, to request your reservation.

There is a maximum of two Flea Market Vendor Admission tickets per Flea Market space (**Vendor Admission Tickets are not included and must be purchased for space rentals**). If more than two tickets per space are needed, additional tickets must be General Admission tickets. For Flea Market vendors with crews holding General Admission tickets, they will be permitted access for setup and teardown, while being escorted by someone holding a Vendor Admission ticket.

A Flea Market Space Pass is required for a vehicle to enter and remain in the Flea Market. A Space Pass is available for each vendor and will be included in the reservation packet.

The **approximate** size of each Flea Market space is 10 x 17 feet or 170 square feet. Any vehicle that does not fit within the dimensions of the reserved space(s), must be parked outside of the Flea Market area. Vehicles and/or shelters and displays may not extend beyond the front of any Flea Market spaces, per the local Fire Marshall. Flea Market Vendor Parking Permits are available for the parking area located in the track area, surrounding the infield Flea Market area, as well as in the front lot area outside the track. For details, see the Hamvention® 2023 Flea Market Rules & Information sheet. **Due to the limited space available in the Vendor Parking Area, 1 permit per Flea Market space is permitted, up to a MAXIMUM of three (3) permits. Additional permits will be available for purchase, on a "First Come, First Served" basis.**

Vehicle access to the Flea Market area is permitted, by use of a Flea Market Space Pass. Each space pass issued will, allow only one (1) vehicle to enter and / or remain in the Flea Market selling area.

Each Flea Market space is identified with a four (4) digit number and no numbers are duplicated anywhere within the Hamvention, regardless of whether the spaces are in the Flea Market or Inside Exhibits areas.

Please be sure to review the Ohio Tax information located at <http://www.tax.ohio.gov/forms.aspx> and in the Hamvention group at Yahoo (<http://groups.yahoo.com/group/hamvention/>) and the Hamvention® 2024 Flea Market Rules, at the end of this document.

The volunteers of the Flea Market Committee are looking forward to seeing you at the 2024 Dayton Hamvention® and will do everything possible to make your visit an enjoyable one.
